# KIEV WELCOMES PENTECOSTAL LEADERS FROM ACROSS EUROPE

Europe Prayer Sunday is PEF’s annual prayer event, held in a capital of Europe. This year, it took place in Kiev, the capital of Ukraine and joined thousands of Pentecostal believers on November 10<sup>th</sup>, 2019. A few hundreds of them prayed for Europe at “Karjerna, 44 Pentecostal church” which happened to be celebrating its 45<sup>th</sup> anniversary on the same day. PEF Chairman, Pelle Hornmark, welcomed all

the participants and highlighted the importance of spiritual unity as we bring the spiritual needs of Europe before the Lord.

“Leaders from Austria, Bosnia, Belgium, France, Sweden, Norway and Finland and other countries (via internet) have joined pastors and believers of Kyiv Pentecostal congregations (Note: There are over 20 Pentecostal Churches in Kyiv) for intercession and prayer for our continent,” explained Daniel Costanza, PEF Executive Director.

“As PEF family, we need to lift up our eyes to the Heavenly Throne as we see the fields white for the harvest all over the

continent. Together we ask the Lord for workers to reap the harvest”.

PEF regional representatives presented the various needs from their respective countries, including unity between pastors in Balkans countries, a fresh visitation of the Holy Spirit for a new passion to do evangelism in Netherlands, wisdom and peace from above for Great Britain with the Brexit issue. Pastor Anatoliy Kozachok expressed gratitude, “Our people are grateful for your intercession on behalf of Ukraine, while we suffer because of a military aggression from a nearby country”.

PEF Chairman urged Ukrainian Pentecostals, “We ask you for the same zeal and faithfulness sending missionaries to West and North of our continent as you did during last 30 years providing missions pioneers to the East. Let us make the light of Jesus visible in our countries again!”

The entire event was marked by an atmosphere of joyful worship as the local choir and worship team ministered with a sweet anointing.

# 2019 PEM CONSULATION

The 2019 PEM Consultation took place in Kyiv, Ukraine from November 12-15. Over 100 missions leaders and missionaries gathered together for three intense days based on the consultation theme, “Partnering Together to Reach the World.” This gathering drew participants from all over Europe, central, southern and eastern Asia and from North America as well.

The opening evening gathering was hosted in Philadelphia Church in Ukraine’s capital city, Kyiv. Beautiful praise and worship led by a combined youth choir and inspiring messages from Bishop Mykhailo Panochko, Senior Bishop of the Ukrainian Pentecostal Church movement and by Pelle Hörnmark, the Chairman of PEF.

PEM Consultations always focus on three critical elements: networking, information and inspiration. All three were dynamically present during the 2019 PEM Consultation. Stirring reports in plenary sessions concerning Unreached People Groups (UPG’s) were shared showing how the one most committed to worldwide evangelism is God himself. Well prepared presentations brought attendees up to date on mission advances of which we were unawares. Workshops enabled dialogue about the details of missions that clarified and stimulated new thinking. Morning worship, Bible teaching and prayer helped anchor each day and feed spiritual expectancy and hope among us.

One goal of this PEM Consultation was to bring Ukraine closer to other parts of Europe and bring other parts of Europe close to Ukraine. Evening sessions were bilingual in English and Ukrainian. Workshops were done in both languages. Moved by the reports of missions outreach taking place in war-torn areas of eastern Ukraine, an offering was taken up for ministry in that region.

At this PEM Consultation, new leadership was chosen to help PEM move into the great future that God has prepared. Rauno Mikkonen finished his term as PEM Chairperson and Harri Hakola was voted in to succeed him. Additional members were elected or renewed on the PEM Committee as well.

The 2020 PEM Consultation will take place in Bratislava, Slovakia, beginning Tuesday evening, 3 November, and ending at 12:00PM on Friday, 6 November.
